Hello Karl,

Please come out and join us for the last meeting of the ski season. Listen to some stories of the past year and maybe share some pictures of your ski adventures in France or Breckenridge.

RSVP Wayne at wmacmath@gmail.com if you plan to attend.

I will be preparing some meatballs and sausage with rolls, but not enough for everyone. We could use some help with pasta, cheese, salad or dessert. Any Italian dish that you would care to pre[pare, even more meatballs or sausage.

Please let me know what you would like to bring. However, even if you

cannot prepare something, still come out. We would love to see everyone.

There may even be some news about skiing next year and what pass may be good to purchase.

Thanks
Wayne
